A very warm welcome to our church!

- Morning worship begins at 10:45am every Sunday of the year, a typical service consists of some hymns and songs, prayers, Bible readings and a talk.
- Everyone who works with the children and under-18 year-olds are trained and fully CRB cleared for their work. There are colouring books and toys at the back of church for your child/ren to use, ask a leader if you would like assistance.
- You may be given a hymn book/sheet when

you enter the church. We generally stand to sing hymns. Sometimes the words and images for worship are projected onto the screen.

- There will be an offertory to support the work of the church. We stand as this is brought forward.
- The church is fitted with a loop system.
- Above all we hope you will feel comfortable and relaxed - do what you like - coming to worship is about you being you, and letting God be God!
